

# simple & safe

all natural ice melter

**Simple & Safe**® Ice Melter has been carefully formulated to be the safer alternative to traditional rock salt. This product is a 100% all-natural ice melter and was created with the environment in mind. **Simple & Safe**® Ice Melter is colored and stands out against ice and snow. This allows precise spreading of the product, preventing over application and essentially saving you money!

**Environmentally Formulated**

**Safer for Plants and Animals, when used as directed**

**Colored for Consistent Visual Distribution**

**Contains: Sodium Chloride, Calcium Chloride, Potassium Chloride and Magnesium Chloride**
